

2022–2023

Chemistry

Massachusetts Institute of Technology

Chemical Biology Seminar Series

Mondays at 4:00pm unless noted otherwise

September 19	Laura Kiessling [MIT Building 10, Room 250]	Massachusetts Institute of Technology Broad Institute
September 26	C. Brandon Ogbunugafor [MIT Building 4, Room 270]	Yale University 2022–2023 MLK Professor in the MIT Department of Chemistry
October 3	Amit Choudhary [MIT Building 4, Room 270]	Harvard Medical School Broad Institute
October 24	David Liu [MIT Building 32, Room 123]	Broad Institute Harvard University
Week of October 31 Exact times/dates TBD	Hiroaki Suga [Locations TBD] TY Shen Lectures	University of Tokyo
November 14	Arturo Vega [MIT Building 4, Room 270]	Boston University
November 21	Rick Young [Location TBD]	Massachusetts Institute of Technology Whitehead Institute
January 30	Chuan He [Broad Institute Auditorium]	University of Chicago
February 6	Jeffery Kelly [Broad Institute Auditorium]	Scipps Research Institute
February 27	Emily Dykhuizen [Broad Institute Auditorium]	Purdue University
March 6	Jason Chin [Broad Institute Auditorium]	University of Cambridge MRC Laboratory of Molecular Biology
April 3	Squire Booker [Broad Institute Auditorium]	Pennsylvania State University
April 24	Bil Clemons [Broad Institute Auditorium]	Caltech
May 1	Sarah Slavoff [MIT Building 4, Room 270]	Yale University
May 8	Lingyin Li [Broad Institute Auditorium]	Stanford University
May 15	Maria-Eirini Pandelia [MIT Building 4, Room 270]	Brandeis University
