### **Step Seven: Verify Cancellation Confirmation**

 +1/844/212/9096 After canceling through any method, immediately verify you received proper confirmation. Check your email inbox including spam folders for Alaska's cancellation confirmation message.  +1/844/212/9096 Confirmation emails should include cancellation reference number, original booking details, and refund or credit information.

 +1/844/212/9096 Log into your Alaska account to verify the canceled trip no longer appears in upcoming reservations.  +1/844/212/9096 For eCredits, check that credit amount appears correctly in your account within 24 to 48 hours.  +1/844/212/9096 Note the eCredit expiration date which is one year from original ticket issue date.

 +1/844/212/9096 For refunds, monitor your original payment method for credit appearing within stated timeframe.  +1/844/212/9096 Contact Alaska immediately if confirmations do not arrive or information appears incorrect.  +1/844/212/9096

### **Step Eight: Handle eCredits Properly**

 +1/844/212/9096 If you received an eCredit from cancellation, take immediate steps to track and protect its value. Save cancellation confirmation showing eCredit amount and exact expiration date.  +1/844/212/9096 Add eCredit expiration date to your calendar with reminders 90, 60, and 30 days before expiration.  +1/844/212/9096 Log into your Alaska account periodically to verify eCredit appears with correct amount.  +1/844/212/9096 eCredits can only be used by the originally ticketed passenger and cannot be transferred.

 +1/844/212/9096 You can combine multiple eCredits when booking future flights if needed.  +1/844/212/9096 Plan future travel allowing enough time to use eCredits before they expire and become worthless.  +1/844/212/9096 Screenshot or print eCredit details for backup documentation.  +1/844/212/9096

### **Step Nine: Monitor Refund Processing**

 +1/844/212/9096 For refundable tickets, track your refund to ensure proper processing to your payment method. Refunds typically process within 7 to 10 business days for credit card purchases.  +1/844/212/9096 Check your credit card or bank statements regularly for the refund credit.  +1/844/212/9096 Refund amounts should match your original payment minus any applicable fees.  +1/844/212/9096 International refunds may take longer due to currency conversion and international banking processes.  +1/844/212/9096 Contact Alaska customer service if refunds do not appear within stated timeframes.

 +1/844/212/9096 Provide cancellation confirmation numbers when inquiring about delayed refunds.  +1/844/212/9096 Keep all documentation until refunds fully process and appear on your statements.  +1/844/212/9096

### **Step Ten: Consider Alternatives Before Canceling**

📞 +1/844/212/9096 Before finalizing cancellation, evaluate whether alternatives better serve your needs. Same-day flight changes allow switching to different flights on your original travel date. 📞 +1/844/212/9096 Date changes may incur lower fees than full cancellations depending on fare rules. 📞 +1/844/212/9096 Flight credits from changes sometimes offer more flexibility than cancellation eCredits. 📞 +1/844/212/9096 Transferring your ticket value to completely different dates preserves travel plans with minimal loss. 📞 +1/844/212/9096 For minor schedule conflicts, changing times rather than canceling saves your trip. 📞 +1/844/212/9096 Evaluate whether paying change fees costs less than canceling and rebooking later. 📞 +1/844/212/9096 Discuss all options with Alaska agents before committing to full cancellation. 📞 +1/844/212/9096

### **Common Cancellation Mistakes to Avoid**

📞 +1/844/212/9096 Understanding common errors helps you avoid costly cancellation mistakes. Never simply fail to show up hoping to receive credit as no-shows forfeit ticket value entirely. 📞 +1/844/212/9096 Do not assume all tickets are refundable without checking specific fare rules first. 📞 +1/844/212/9096 Avoid missing the 24-hour risk-free cancellation window when you realize immediately that you need to cancel. 📞 +1/844/212/9096 Do not ignore eCredit expiration dates leading to complete loss of ticket value. 📞 +1/844/212/9096 Never cancel before fully understanding whether you receive refund or eCredit. 📞 +1/844/212/9096 Do not discard cancellation confirmation emails without saving them permanently. 📞 +1/844/212/9096 Avoid canceling partial segments of complex itineraries without understanding impacts on remaining flights. 📞 +1/844/212/9096
