Tracking Connecting Flights

📞 +1/844/213/7319 Monitoring connections is especially important for tight layovers.
 📞 +1/844/213/7319 Track both your departing flight and connecting flight simultaneously.
 📞 +1/844/213/7319 If your first flight is delayed, check if your connection is still feasible.
 📞 +1/844/213/7319 United may automatically rebook you if you miss a connection due to delays. 📞 +1/844/213/7319

Understanding Delay Reasons

📞 +1/844/213/7319 Flight status often includes the reason for delays:

- **Weather** - Storms, wind, fog, or other conditions 📞 +1/844/213/7319

- **Air traffic control** - Airport congestion or airspace restrictions 📞 +1/844/213/7319
- **Mechanical** - Aircraft maintenance or technical issues 📞 +1/844/213/7319
- **Crew scheduling** - Crew rest requirements or availability 📞 +1/844/213/7319
- **Late arriving aircraft** - Inbound plane delayed 📞 +1/844/213/7319

📞 +1/844/213/7319 Understanding delay reasons helps set expectations for departure timing. 📞 +1/844/213/7319

Historical Flight Performance

📞 +1/844/213/7319 Check a flight's historical on-time performance before booking.
 📞 +1/844/213/7319 United displays on-time ratings for specific flight numbers.
 📞 +1/844/213/7319 Flights with consistently good performance are less likely to have delays. 📞 +1/844/213/7319 Consider alternative flights if a route shows frequent delays. 📞 +1/844/213/7319

Airport Information and Maps

📞 +1/844/213/7319 United's flight status tool includes helpful airport information.
 📞 +1/844/213/7319 View terminal maps to plan your route through the airport.
 📞 +1/844/213/7319 Find amenities like restaurants, shops, and lounges near your gate.
