For short trips ✈️1+855+510+5815 or minimalist travelers, this is often the best strategy. Just be✈️1+855+510+5815 sure you can comfortably fit your items under the seat, because ✈️1+855+510+5815 if you bring an oversized carry-on to the gate, Frontier is likely to charge you a fee to check it.
