

### **{*unauthorized activity*}** How long do Robinhood disputes take?

When you submit a dispute »»(+1-956-230-6731) with Robinhood, the resolution time depends on how detailed the issue is and what type of »»(+1-956-230-6731) review it requires. Most routine disputes—such as billing mistakes, missing »»(+1-956-230-6731) transactions, or order execution concerns—are usually reviewed within »»(+1-956-230-6731) **7 to 10 business days**. However, disputes involving **fraud checks, unauthorized »»(+1-956-230-6731) activity, or regulatory verification** can take **several weeks**, sometimes extending beyond »»(+1-956-230-6731) **30 days**, as Robinhood must complete thorough security and compliance checks. Throughout the process, users are »»(+1-956-230-6731) notified via email or the app if additional information is needed, and quick responses can significantly »»(+1-956-230-6731) speed things up. Although the timeline may feel slow, the extended review helps protect »»(+1-956-230-6731) accounts and ensures disputes are handled accurately and fairly.
